TASTING NOTE

The nose of the Impact Gin is not strong, but the juniper and citrus aroma is clear. On the palate, Impact Gin have somewhat sweet flavor profile with a light mouthfeel. A bit deeper, there's citrus yuzu rind, ginger, and a hint of clove. On the finish some citrus comes through, along with further fruity notes. Impact Gin takes the palate on a long journey from juniper berry, through spice to citrus. Complex and evocative. The healing aroma of the forest is expressed using "Kuromoji", a fragrant tree peculiar to Japan.
